

POSTERS AND FREE PRESENTATIONS

This year, didactic or scientific work may be presented through posters in the **Foyer** by requesting it upon registration, with the work title, a short abstract (max 7 lines) and the authors' names.

Poster days are **Friday, October 27 and Saturday, October 28**. A maximum of 10-12 posters per day will be accepted.

Upon communication of acceptance, one of the authors shall hang the poster in the assigned spot, at the end of the congress day previous to poster exhibition, and be in the Foyer in the assigned spot from 17.00 to 18.30 on presentation day. The poster shall be removed at 18.30 for poster session on the following day. Titles and authors of accepted posters will be included and published in the final Conference programme. Posters shall be vertical, size 100 x 70 cm.
